1	2.1.10.4	Report Deliverables Format: Is there any specific format prescribed by ACCF for report submission or we can use our system generated report format with real time date and time along with photographs. Attached herewith is our sample audit report for your kind perusal.	There is no specific format prescribed by ACCF. Selected agency needs to submit a comprehensive report covering all aspects of quality audit indicating problem areas and suggested remedial measures. Agency should also provide photographs with time and date stamp in their reports.

3	Annexure-1, Scope of Work	Documentation Checks: w.r.t annexure 1 scope of work is that there are certain scope (basically documentation checks for example review of QAP, Methodology etc.) which can be done from our head office as well. So, would like to know whether is it mandatory to carry out above scope of work on-site or at PMO office at Guwahati? Please clarify.	All documents, which are required to conduct quality audit, are lying at ACCF/Project Management Consultant Offices. Such documents shall be collected by the selected agency from Guwahati. After collection of such documents, Agency may conduct desk analysis at any place.

4	Annexure-2, Point No. 2	Cost of previous projects handled in last 5 years: Please clarify whether it is cost of the project or work order value of consultant?	It is clarified that it the work order value of consultant (and not the Project Cost).
5	Clause 2.1.8	As per tender document scope of work is to be finished in 30 days for 3 sites and total 50 days for the remaining six sites so total no days for completion including report submission is 80 days. Is it correct?	It is clarified that at 3 sites, work is required to be completed within 30 days from the date of Work Order and for remaining six sites, 50 days from the date of work order.
