370	General Query		For Interior Work, 1.5 crore is not small for a single work to be considered as a criteria. Please confirm whether Civil Work also be considered along with Interior Work in a single work package.	Qualification Criteria 2.4.2 (b) The bidding company should have had an average annual turnover of more than INR 2.5 (Two Crore & fifty lakh) Crores (if quoting for L1 & L2 locations) and INR 2 Cr.(if quoting for L3 location) in the last 3 years (FY 19-20, 18-19, 17-18) for each quoted location. If bidder is quoting for more than one location, then turnover requirement shall be cumulative. Turnover for FY 20-21 may also be considered in lieu of FY 17-18. The format for conveying turnover details is given in Annexure 3. (c) The bidder should have executed similar work (i.e. Interior fit-out work) of Rs. 1.5 crores (if quoting for L1 & L2 location) and INR 1 Cr (if quoting for L3 location), in any of last seven FYs, for each quoted location the bidder is bidding for. E.g. If the bidder is bidding for 3 L2 locations, the bidder is expected to have executed at least one order of Rs. 4.5 Cr or 2/3 similar projects each of value of more than 1.5 crores with a total order value coming to Rs. 4.5 Cr or more.
371	General Query		Concept Drawings, Furniture Layout, etc. will be required for better understanding during quoting. Shop drawings shall also be dependent on these drawings/information.	Shared on web-site: - AutoCAD Drawings of Furniture Layouts for all floors. - Mark-up drawings with wall finishes for all floors.
372	General Query		Also, we feel that the total estimated cost is low compared to full scale hospital as compared to Phase-I Interior Works.	Please go ahead with BOQ quantities.
373	General Observation		It is desirable to use net which is commonly used to cover construction activity or garden farming, etc., instead of polythene. Polythene doesn't not have firm grip over POP and possesses slip hazard.	Yes, it can be adopted.
374	Part-A: 1.03		Size of Tiles not mentioned in the item: Vitrified Tile Dado - 3150mm High (Lift Wall).	Size of Tile shall be 600x600mm

375	Part-A: 2.01		Is Aluminium Section of size 50X100X2.5mm really needed for panelling/cladding work? These sections look heavy for the said work in the BOQ.	Yes section need not be 100mm width as the overall Gypsum wall build itself is only 100mm. Hence the section size can be reduced to 75mm or 89mm accordingly as required.
376	Part-A: 2.01		Is the BOQ correct? We have faced many problems in the BOQ of RT Block Interior Work in SCI. How can these rate be justified if the quantity actually executed falls below 50% of the tender quantity? Also, the quantities in these items are very low in line with the specifications mentioned in the BOQ.	Payment shall be made based on actual measurement & quantity supplied. Quantity given in BOQ are estimated qty.
377	Part-A: 2.01		Make/Brand is not specifically mentioned in the Make List for Anti-microbial Luster enamel paint. Can we consider Asian Paints / Berger or Equivalent which is mentioned for Enamel paint?	Yes we can consider Asian Paints / Berger/nerolac
378	Part-A: 2.02		Quantity items are very low. Kindly confirm the BOQ.	Payment shall be made based on actual measurement & quantity supplied. Quantity given in BOQ are estimated qty.
379	Part-A: 2.03		Please specify the thickness in microns of Anodizing Layer.	"Bottom line" is a Make. The Anodizing shall be as per manufacturer specifications.
380	Part-A: 3.02		Aluminium Box Sections of size 50mmX75mmX2.5mm is not available. Can we use 60mmX65mmX2.5mm which has already been approved in Phase-I tender?	Yes. It can be provided.
381	Part-A: 6.01, 6.02		Please clarify the process of measurement for reception/help desk/overhead cabinets, etc.	The mode of measurement shall be in RM. For the total length of each of these items made. The items includes work of cabinets of "A" length x "B" Width x "C" height as per specifications and detail drawings prepared by the Bidder. Measurement shall be based on the "A" length.
382	Part-A: 6.03		Quantity to be clarified for Full Height Storage in Linac for SCI since only one Linac Bunker is left for execution, but BOQ is showing 2 nos.	Only 1 Linac need to be considered
383	Part-A: 6.03		Length of the Storage is confusing. It is mentioned as 19mm in the item description which should be a typo error. Please confirm the same along with the drawing.	It is a typo error. Please refer drawing for the size.
384	Part-A: 6.04		Will the Console Room furniture be for Varian Machine for SCI? As per our knowledge, only MRI Linac Bunker is left in the scope of this tender.	Yes, the detail shall be the same as for Varian Linac console and same detail shall be followed for MRI Linac with necessary concurrence may be taken from the MRI Linac Vendor also.
385	Part-A: 6.07		Location required for Service Counter.	Service counter location shall be as per Linac Equipment vendor detail drawings. It shall be informed at the time of execution.
