Other information: iv Liability: The liability of the Consultant under this Project shall be limited to value of the contract signed (to the extent of payment made to the Bidder) with the Nodal Authority for this project work for direct/indirect loss due to negligence.	If we may request the Authority to include following clause in addition to existing clause: Client (and any others for whom Services are provided) shall not recover from consultant, in contract or tort, under statute or otherwise, any amount with respect to loss of profit, data or goodwill, or any other consequential, incidental, indirect, punitive or special damages in connection with claims arising out of this Agreement or otherwise relating to the Services, whether or not the likelihood of such loss or damage was contemplated. Client (and any others for whom Services are provided) shall not recover from consultant, in contract or tort, including indemnification obligations under this contract, under statute or otherwise, aggregate damages in excess of the fees actually paid for the Services that directly caused the loss in connection with claims arising out of this Agreement or otherwise relating to the Services.	This is a matter of contract and it may be considered at the time of award of contract .
18	7. Schedule of deliveries and period of performance Pg No.22	ii. Mid term Presentation and daylong workshop. This would be organized at the end of nine weeks from date of commencement to present the broad plan direction and deliberate with senior government officials, experts and professionals from client side. However the draft presentation of synopsis should be circulated one week in advance.  iii. Draft of final Findings and presentation. This would be submitted at the end of 14 weeks and shall be presented before the clients.	We will highly appreciate your confirmation if the venue of these two workshops will be provided by ACCF or to be arranged by the consultants. We will also appreciate your clarification on the number of attendees expected in these two workshops.	Venue for the meeting will be Guwahati only. All the senior team members from consultant side are expected to be present in the meeting.

Sr. No.	Clause No/ Query Ref	Clause as per RFP	Query	Clarification/Amendment
19	vi Technical Scoring Criteria: Pg No.8	For which payment shall be made in percentage as mentioned below: .Inception Report: 10% .Mid-term Presentation and daylong workshop: 20% .Draft of final Findings and presentation: 25% .Submission of final report: 30% .Acceptance of Final report: 15%	We request you to amend the percentage as: 1) Inception Report: 10% 2) Mid-term Presentation and daylong workshop: 30% 3) Draft of final Findings and presentation: 30% 4) Submission of final report: 20% 5) Acceptance of Final report: 10%	No change
20	9. CONFLICT OF INTEREST: Pg No.8	Where there is any indication that a conflict of interest exists or may arise, it shall be the responsibility of the Bidder to inform ACCF, detailing the conflict in writing as an attachment to this Bid.	We have an ongoing association with ACCF and would like to continue the same way of participating in the PMC services as well. Thus, we request for your views that our participation in the DPR services shouldn't be considered as a limitation to participate in bidding for PMC services for SACRC project.	These are two different assignments.
21	FORMAT – 1 PROPOSAL APPLICATION Pg No.9	4. List of last successfully completed (3) Government projects Format-4.	We understand that there is no scoring attached for the government projects and we assume that format-1 is just for the information only. Please confirm if our understanding is correct.	Project experience of private or government will be treated equally. In format 4 bidder shall submit the details of private and government both.
22	4. Broad Objective of assignment: Pt No.4a Pg No.18	(a) Environmental Scan: Mapping of national and regional cancer research centres currently functioning. This should include public as well as Private sector cancer research centres in India and South Asian Countries. The Consultants are expected to carry out a Desk review of the entire cancer research scenario in India and South Asia in comparison to some of the best well established cancer research institution in developed nations such as USA and in Europe. The expected outcome of this part of the mandate is to conceptualize the configuration of proposed Centre and create a focus area of research which would be beneficial to national cancer care plan and also fill up gaps in cancer research capability in south Asian region. Minimum top 3 cancer research center of India, and top 5 centers of World in comparison to south Asian cancer research scenario	We assume that our research will be limited to top 5 research institutes from India (Private/Public) and 3 research institutes from South Asia region. Please confirm if our assumption is correct.	Minimum criteria is given, firm can present more than that in their approach and methodology for better outcome.
23	7. Schedule of deliveries and period of performance Pg No.22	The assignment is expected to be completed within four months from the date of commencement of the work. The schedule of Deliveries is expected to be as under:	The timeline indicated in the Schedule of Delivery is challenging. As per our understanding 3-4 months period is required to collect the data, site visits etc. In view of that time period required to complete assignment shall be suitable increase to 6 months.	No change
24	(e) Conceptual plan of the Centre: Pg No.19	Conceptual plan of the centre : Conceptual framework and plan in terms of building &	Generally environmental scan and mapping needs 2-3 months to conclude and preparation of conceptual plan of the centre	No change

Sr. No.	Clause No/ Query Ref	Clause as per RFP	Query	Clarification/Amendment
		infrastructure which includes various facilities, attached hospital design and campus planning	would take further 2-3 months. Our request you to kindly increase the time period of the study to 6 months	
25	(j) Project Cost: Pg No.20	Project Cost: Overall Capital cost of project in terms of Building, capital equipment, campus infrastructure, medical and scientific equipment for start-up phase (Hospitals as well as research wing) shall be worked out with reasonable accuracy.	We believe that at the DPR level, the costing will be done on the Conceptual Plan and BOQ for major equipment only. The level of accuracy will be arrived in the costing as per the best effort by the consultant. Please clarify if our understanding is correct.	Under standing is correct. considering current project execution cost, Evidence based projection and detailing need to be included in the project report. Detailed BoQ is not accepted.
26	5. Detailed Scope of Work: Point-a Pg No.19	(a) Environmental Scan: The Consultants are expected to carry out a Desk review of the entire cancer research scenario in India and South Asia in comparison to some of the best well established cancer research institution in developed nations such as USA and in Europe. The expected outcome of this part of the mandate is to conceptualize the configuration of proposed centre and create a focus area of research which would be beneficial to national cancer care plan and also fill up gaps in cancer research capability in south Asian region.	We assume that for comparison, our research for comparison will be limited to: <ul style="list-style-type: none"> <li>• Top 5 research laboratories among 41 centres from USA's National Cancer Institute such as FNLCR, Stanford Cancer Institute (SCI), Purdue University Centre for Cancer Research, David H. Koch Institute for Integrative Cancer Research at MIT, Tisch Cancer Institute</li> <li>• Top 5 among 14 societies affiliated by the European Association of Cancer Research (EACR) such as AEK, BACR, ISCR, HDIR and DSCF</li> </ul> Please confirm if our understanding is correct.	No Change

Sr. No.	Clause No/ Query Ref	Clause as per RFP	Query	Clarification/Amendment
27	5. Detailed Scope of Work: Point-a Pg No.19	(c) Mapping of possible collaborative partnership and synergies with various institutions in India while cancer research in India is fragmented and largely limited to clinical research a number of 20 laboratories under CSIR/ICMR, department of Biotechnology, NIPERS IITs AIIMS etc. have pool of scientists and research professionals involved in fundamental research work. A review of these institutions with physical interaction with the management of these institution will be done by consultant team to understand and evolve possible areas of synergy and collaboration. Scientists involved in research work can also be drawn on deputation to proposed SACRC for specific projects and assignments. As such due emphasis should be given to explore the areas of collaboration and suggest means of engagement between proposed SACRC and the institutions mentioned above.	We assume that review with CSIR will be limited to 'Centre for Cellular and Molecular Biology (CCMB)' and review with ICMR will be limited to 'National Institute of Cancer Prevention and Research (NICPR)'. Please confirm if our assumption is correct.	No Change
